THE CUTS**

# MORE THAN **3X\*** THE CUTS

## NEW Ceramic Grain, Mesh and Bonding innovation

Specially developed razor sharp ceramic grain for more than 3x the cutting performance.

The additional mesh reinforcement system helps reduce the vibration reducing machine and operator fatigue.

Complies with Australian Standard  
AS1788:1-1987 EN12413

Maxx 3 is our next level leap in improving your productivity and efficiency.

Reduce on hand stock inventory levels through more cuts per wheel.

Reduced cutting time and reduced vibrations mean improved operator comfort and less fatigue.
